

# Welcome To Lunch at Tapton Hall Winter 2011

As Winter is upon us again it certainly means another change of menu but this season we have adjusted the menu in a small way rather than make significant changes

Our emphasis is on providing the dishes you show by your selection are popular and we believe provide value for money - we do not offer “two for one” but we will do our best to please you, and maintain customer services.

As the greater part of our dishes are cooked to order, using fresh ingredients, we apologise for any short delay which might occur at busy times. However, please advise our staff if time is limited and we will try to meet your wishes.

We look forward to welcoming to Tapton both new and regular patrons

For reservations please telephone (0114) 2660051

Children’s portions two thirds the price. (under 12)
