

Buffet Menus

Tapton Hall
SHEFFIELD

We welcome the opportunity to provide the facilities at Tapton Hall for your Buffet and are pleased to present our menu from which we hope you will be able to select a buffet to suit the occasion.

When making a reservation we request completion of a booking form and signing of the terms and conditions along with a deposit which, of course, will be deducted from the final invoice.

An indication of approximate numbers for dining will also be required - the final number of guests dining must be notified to us not later than three working days prior to the function, and this will be the number of covers on which your account will be based.

For reservations please contact the office ~ 0114 2660051
